

CAPITAL RESOURCE PARTNERS

Q1 Update:
CRP invests \$30 million in two companies

We Invest Mezzanine and Equity Capital

CAPITAL RESOURCE PARTNERS invests mezzanine and equity capital for later-stage growth companies and buyouts and recapitalizations of established businesses. CRP has over \$900 million under management through four funds.

Our current \$425 million fund, *Capital Resource Partners IV*, invests \$5 million to \$30 million in a range of industries including business and information services, manufacturing, consumer products and services, software, telecom, and healthcare services.

Recent Investments

ePredix

\$15 million Senior Subordinated Notes with Warrants

CRP invested \$15 million in ePredix, a provider of automated selection and assessment solutions for the global human capital management industry. The company's automated solutions enable client companies to hire individuals that will perform better in their jobs. CRP's capital was used to acquire the development products business of a leading personnel firm and its subsidiary, specializing in industrial psychology and assessment.

CRA Rogers Casey

\$15 million Senior Subordinated Secured Notes and Junior Subordinated Notes

CRP invested \$15 million in CRA Rogers Casey, a financial consulting firm that provides investment research, consulting, and performance measurement services to pension plans, foundations, and endowments. CRP's capital was used to fund the acquisition of the investment consulting division of Barra Rogers Casey, creating the second largest investment consulting firm in the U.S.
